BOSSINGTON ESTATE RULES

CATCH LIMITS

The catch limit will be six fish per day, rods may kill one brace. The two fish per rod limit throughout the season will be 15 inches or over, please carefully return any wild fish or grayling. Fish of 12 inches or more will count towards the limit whether they are kept or returned. Barbless or de-barbed hooks are strongly encouraged.

FISHING METHODS

Rods should only fish with traditionally patterned flies, emergers and nymphs. In each case, the guiding principle is to attempt to imitate the naturals on which the fish are currently feeding. From 15th June onwards upstream nymph are permitted in addition to dry fly (standard hooks of a maximum size 10). Wading is only allowed with permission of the river keeper.

HOURS

The fishing season at Bossington runs from 18th April to the 16th October. Hours of operation are from dawn till dusk.

RETURNS

All fish caught must be recorded in day books provided in each hut and noted if killed or released. Please fill out a record card even for a blank day.

GENERAL

- All Rods and their guests must hold a current environment agency licence to fish for trout.
- Sub-letting of a Beat is prohibited.
- No rod sharing or relay fishing allowed.
- **Absolutely no feeding of the river.**
- One well controlled dog may accompany a fisherman. (Please note dogs are prohibited on the House Beat all times)
- All cars should only be parked in the designated areas on the map, left at the owner's risk. There is strictly no driving on the river bank. Bossington Estate Fishery does not hold itself responsible for the loss by fire, theft or damage of any personal belongings or vehicles of rods.
- Rods that ignore the rules will be asked to leave the river and their membership will not be renewed.

The river keeper is Matthew Hodder, his telephone number is 07983 344783. The Estate Office number is 01794 388265 or 01794 388175. You may also contact Bridget Scott on 07850 270606.
